

<p><b>What we know about Tom</b></p>	<p><b>What we would like to know about Tom</b></p>
<p>male                      on a ship                      left home recently                      at sea (deep)                      not in England                      homesick                      wrote home 4/11/1941                      wrote letter during WW11                      had birthday on ship                      expecting to be away for Christmas                      sailing new experience                      not seasick (yet)                      writing to Les Vera and family                      his mother is still alive</p> <p>Didn't want to go to sea.                      Vera is his sister.                      Les is his brother-in-law.                      Audrey and Judy are his nieces.                      Richard is his nephew.                      He is in the army.</p> <p>His sister lives in Peterborough.                      She is married to Les.                      Letter arrived home on 29/12/41.</p>	<p>Surname?                      Age?                      Food he eats?                      How long was he on the ship?                      From where did he get his food?                      Is he in the Navy?                      Which Navy?                      Where did he go?                      Why did he go to sea?                      What is the ship called?                      Did he want to go to sea?                      Did he have any friends on board?                      Where did he sleep?                      How far is he from home?                      Who is on board?                      In what condition is the ship?</p> <p>Is Tom married and if so does he have any children?                      Is his full name Thomas?</p> <p>Does he live in Peterborough?                      Why has someone signed the outside of the letter?</p>
